Oldsmar, FL 34677

Dear Yanya:

The Homecoming Dance turned out wonderful and a large part has thanks to you! The lights were absolutely fantastic - people didn't stop coming up to me to comment about them.

Thank you so much for working through all the complications to ensure it was all perfect - it really was. I appreciated everything you did so much. I look forward to working with you again.

Sincerely,

A handwritten signature in black ink, appearing to read 'Teagan Alexander', written in a cursive style.
